A Note From The Organizers

Our Vision

To see churches in Singapore worshipping the Lord with songs given by the Lord to the larger Body of Christ in Singapore, written by fellow believers from various denominations, giving honor and glory to Jesus our Lord!

We are thus committed to be good stewards of the songs God has given His church in Singapore, to express our worship of God and our unity in Christ through singing the songs God has given us across our nation, across denominations, believing that as we rightly use what God has given us, the Lord will bestow His blessings upon us, even life forevermore (Ps.133).

Our Objectives

The In-Deep Worship series of quarterly worship events seek to:

1. Refresh worshippers
2. Introduce to our churches new songs written by local Christian songwriters, songs written out of the depth of their devotion to God
3. Teach and provide input into the lives of worshippers
4. Connect worshippers and worship ministry people from across churches

In so doing, we hope to refresh and strengthen worshippers and those who serve in the worship ministry so that they may contribute significantly towards the life and ministry of the church, giving glory to God and God alone!

Our Sessions

Each In-Deep Worship Session will feature 5 new local worship songs from various churches and denominations. Sampler CDs featuring the 5 new local worship songs plus other songs from overseas will be given free at the event and we thank our ministry partner, Integrity Music Asia, for their generous contribution and collaboration in this area.

IF YOU KNOW OF FRIENDS WHO WRITE WORSHIP SONGS, PLEASE CONNECT THEM WITH US SO THAT THEIR SONGS MAY BE CONSIDERED FOR SUBSEQUENT IN-DEEP WORSHIP SESSIONS. SONGS SHOULD BE SENT TO worshipsg@gmail.com

So join us, come in deep, don't just get your feet wet, immerse yourself!

P.S. For more about local worship songs, go to worshipsg.wordpress.com

My Father's Heart

Words and music by Christopher Chuah
Arranged and performed by Laverne Ong

New Life Community Church
Paya Lebar Methodist Mission

In my Father's heart, there's a special place for the little ones, whose angels see His face

In my Father's heart, there is always room

For those who give so freely, from what little that they own

Like the widow in the temple who gives her last two coins

And the sinful silent woman with her jar of fragrant oil

For it never fails to move Him when He sees such selfless love

For those who've been forgiven much are those who truly know the Father's heart

When you give a drink to a thirsty child you meet

When you stop to help a stranger to his feet

When you help restore a sinner from the error of his ways

It always brings a smile to my Father's face

When you gaze into their grateful eyes, you see such love and joy

Where there is hope, where there is love, it's there that you will find my Father's heart

(Chorus)

Heavenly Father, enlarge our hearts to see

The lost and needy souls that are crying out to Thee

Fill our hearts with Your compassion, fill them deep with warmth and love

That we can be a blessing from above to touch the lives around us

And draw them close to You, to love them in the way You love us too

(Bridge)

A Am G#m C#m
I see my Father's heart in the little things around me
F#m B E E7
From kind words said in love to the warmth of a healing touch
A Am G#m C#m
In a child's first prayer that means so much

For the little things are the ones that touch His heart

(Chorus)

F#m B E E/G#
Heavenly Father, enlarge our hearts to see
F#m B E E7
